

# Astrid S - I Don't Know Why

tom:  
 B (forma dos acordes no tom de G)  
 Capotraste na 4ª casa

Following a feeling  
 Got no reason I should show up  
 Here tonight, here tonight  
 And I'm hoping for a signal  
 But I'll settle for your body  
 In my mind, in my mind

Starts as innocent  
 But moves so quickly, so quickly  
 Yeah, when you look at me  
 I must be dreaming

Oh, I don't know why, no, I don't know why  
 The room keeps shaking  
 Put your arms around me and the walls start breaking  
 Tell me that you found me and my world starts changing  
 I see it all in my mind  
 Oh, I don't know why, no, I don't know why  
 The floor keeps spinning  
 Whisper in my ear that I'm the one you needed  
 Touch me like I've never even felt this feeling  
 Baby, I wish you were mine  
 Oh, I don't know why, no, I don't know why

Started as a fantasy  
 But I found it so hard to  
 Push it down, push it down  
 How at any given moment  
 I would say your name so I could  
 Hear the sound, hear the sound

Starts as innocent

But moves so quickly, so quickly  
 Yeah, when you look at me  
 I must be dreaming

Oh, I don't know why, no, I don't know why  
 The room keeps shaking  
 Put your arms around me and the walls start breaking  
 Tell me that you found me and my world starts changing  
 I see it all in my mind  
 Oh, I don't know why, no, I don't know why  
 The floor keeps spinning  
 Whisper in my ear that I'm the one you needed  
 Touch me like I've never even felt this feeling  
 Baby, I wish you were mine  
 Oh, I don't know why, no, I don't know why

Starts as innocent  
 But moves so quickly, so quickly  
 Yeah, when you look at me  
 I must be dreaming

Oh, I don't know why, no, I don't know why  
 The room keeps shaking  
 Put your arms around me and the walls start breaking  
 Tell me that you found me and my world starts changing  
 I see it all in my mind  
 Oh, I don't know why, no, I don't know why  
 The floor keeps spinning  
 Whisper in my ear that I'm the one you needed  
 Touch me like I've never even felt this feeling  
 Baby, I wish you were mine  
 Oh, I don't know why, no, I don't know why

Oh, I don't know, I don't know  
 Oh, I don't know why, no, I don't know why  
 Oh, I don't know, I don't know  
 Oh, I don't know why, no, I don't know why
