

Ataulfo Alves - Destino Da Madeira

Tom: G

Eu tenho
 O destino da madeira
 Que canta
 Quando morre na fogueira
 Eu sofro
 Sofro muito meu senhor
 E canto
 Prá esquecer a minha dôr

Quando nova mágoa
 No meu peito vem morar
 Eu faço mais um samba popular
 Que pergunta , você faz
 Se eu sou , tão infeliz
 Para avaliar meu sofrimento
 Basta analisar
 Os sambas que eu já fiz .
