

# ATB - The Autumn Leaves

tom:

Intro: C Em C Em C Em

C  
I woke under cover of darkness

Em  
Looked up into the television sky Tonight

C  
I wandered through the city alone This

Rain wouldn't stop

Em  
I couldn't dry my eyes I cried

F  
Who is the one to blame

Why is it that you never say

G  
When the feeling leaves

G  
If you're through with me

F  
As I'm walking through the rain

Cold tears falling down my face

G  
Like the autumn leaves

On a windy day

( C Em C Em )

C  
I went to the edge of town

Em  
Over bright highways where the traffic was the only sound  
Around

C  
While my eyes were looking at the ground

Em  
I could see pictures of you floating all around

I didn't doubt

F  
Who is the one to blame

Why is it that you never say

G  
When the feeling leaves

G  
If you're through with me

F  
As I'm walking through the rain

Cold tears falling down my face

G  
Like the autumn leaves

G G  
On a windy day

F  
Who is the one to blame
