

# ATEEZ - One Day At A Time

tom:  
 Gb (forma dos acordes no tom de F)  
 Capotraste na 1ª casa

If you're a bit scared you're living on edge  
 It's hard to escape your worries  
 If you wanna hide, you're losing your mind  
 You gotta lean on somebody  
 I'll be that somebody for you  
 Thousand miles, it don't matter  
 When you're feeling under pressure  
 Say the word, I'll be there

?Cause you can reach me, easy, whenever you like  
 Hit me up, DM, tweet, Kakao me, or FaceTime  
 ?Till we're free to meet up for a coffee and a smile  
 See you on the other side

Don't let it get, don't let it get you down  
 (you down, you down, you down)  
 It's gonna end, it's gonna end, no doubt  
 I'm out here holding my breath  
 I just can't wait to see you again, ooh yeah  
 It feels like it's been forever  
 Counting down the days

When it's overwhelming, hold on tight  
 I'll be here, don't forget it, 'cause in life  
 Sometimes we need a helping hand  
 You'll be alright, just take it slow  
 One day at a time

If you think you're trapped  
 You're in that box you built yourself, I'll help you break it

And I'm gon' catch you when you fall or when you're sinking  
 And when it gets too much, don't overthink it  
 Don't look back, let it go (Let it go)  
 Just keep calm and carry on, oh

Yeah, they talk a lot but I ain't tripping  
 Trying to drown us, keep on swimming  
 What we have, stay in the moment  
 We can't stop just tryna be honest  
 Put it on lock, we could pull up  
 Yeah, we can keep up, it's about love  
 Yeahm We go up top, no, this ain't luck  
 Yeah, they can all try but they never break us ever

When it's overwhelming, hold on tight  
 I'll be here, don't forget it, 'cause in life  
 Sometimes we need a helping hand  
 You'll be alright, just take it slow  
 One day at a time

Oh, you've come so far  
 We're in this together  
 Even though we're apart  
 Won't be for long, won't be for long  
 We face stormy weather  
 Rain's pouring, but it never lasts  
 Only gets better from here

When it's overwhelming, hold on tight  
 I'll be here, don't forget it, 'cause in life  
 Sometimes we need a helping hand  
 You'll be alright, just take it slow  
 One day at a time
