

Atomic House - No Believer

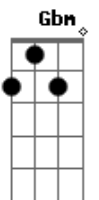

tom:
 A
 Like a cold Wind
 A
 Blowing through the window
 Bm
 She?s giving me the chills I?m shivering a little
 Gbm
 She used to walk with me through every single valley
 Bm
 But then she packed her bags And she moved to Cincinnati
 D
 I tried to find out what it feels like to Love
 A
 I?ve called a hundred times, but you?ve never picked up
 D
 I tried to let you in my heart wide open
 Bm
 But now I?m broken
 Gbm
 She left me torn up inside
 D
 I used to believe in love at first sight
 Gbm
 I tried my hardest to keep her
 D
 But since she?s been gone, I?ve had a fever
 Gbm
 I was naive to think
 D
 That love wouldn?t hurt
 Bm
 That she?d stay with me
 Gbm
 I tried my hardest to keep her
 D
 But since she?s moved on, I?m no believer
 Gbm

She?s like the darkness that
 A
 I?ve been scared to suffer
 Bm
 I hope Cincinnati?s cold
 And you never find another
 Gbm
 It hurt me more that you didn?t say goodbye
 A
 Bm
 Before you went and left
 You were gone ?for I could cry
 D
 I tried to find out what it feels like to Love
 Gbm
