

Attack On Titan - Call Your Name

Tom: D

She lost her breath a month ago
 His picture on the wall
 And it reminds me
 When she brings me coffee, her smile
 I wish I could be with her until my last day
 She said she gave all her love to me
 We dreamt a new life
 Some place to be at peace
 But things changed, suddenly
 I lost my dreams in this disaster
 I'm crying
 Missing my lover
 I don't have the power
 On my side forever
 Oh, where is my lover?
 And I got no power
 I'm standing alone, no way

Calling out your name
 I said I gave all my love to you
 We dreamt a new house
 Some place to be at peace
 But things changed, suddenly
 I lost my dreams in this disaster
 We don't know what is wrong tonight
 Everybody's got no place to hide
 No one's left and there's no one to go on
 All I know is my life is gone
 I'm crying
 Missing my lover
 I don't have the power
 On my side forever
 Oh, where is my lover?
 And I got no power
 I'm standing alone, no way
 Calling out your name
