

Ataque 77 - Angeles de Las Tinieblas

Tom: **D**
Intro: (E G D E G D A)x4

E **G** **Bb**
Enjendros de sangre, vienen a mi mente.
Figuras extrañas sin rostros ni vientres.
Su intención es simple, tu has de comprenderla.
Sus turbios cerebros no son de esta tierra.

E **D** **A** **G**
G **G**
Angeles negros y una espesa niebla me arrastra y me lleva.
Voy contemplando esos rostros oscuros que se acercan a mí.

Mil ojos sedientos brillan en la noche.
Dos hachas estallan sobre un ataúd gris.
Un niño maldito mira complaciente
la cruz que marcó su dejar de existir.

Angeles negros...
