

Audioslave - #1 Zero

Tom: **E**

/ou\:\slide

v:vibrato

ha:harmonic

b:bend

h:hammer-on

Intro:

(Agora use whammy)

Verso:

(Feito com Tremolo)

Listen now, let me speak
I will be the dog at your feet

And come along when you call
Be the little bird in your straw and sing you a song

I'll be there to take the fall
Though you tread upon me for no reason at all

Refrão:

But just when you think you've left me blind
I need to, I will keep you in the corner of my eye

The corner of my eye

Verso:

I will never leave your side
Though you call me your number one zero
Your nevermind

I'll be your king, I'll be your pawn
I will build a pedestal and put you upon it

Refrão:

But just when you think you've left me blind
I'll be creeping right up behind
Cause baby if I...

Acordes

...need to
I will keep you in the corner of my...

Riff Black Sabbath:
(Toque a sequência duas vezes)
...eye

Agora o riff têm algumas alterações.
Toque duas vezes a sequência:

Down on the street, over your night
Out of your sleep, out of your sight
If I need to, If I need to
Out of your mouth, in every word
Down in your ego one thing is sure
I will keep you, I will keep you

Solo:

Agora toque rápido usando Delay:

Refrão:

But just when you think you've left me blind
I'll be creeping right up behind
Cause baby if I...

...need to
I will keep you in the corner of my eye

Riff da intro:

Corner of my eye
I will be the bird in your straw
But you won't get far
I will keep you in the corner of my...

...eye
