

# Audioslave - #1 Zero

Tom: E

/ou\ :slide

v:vibrato

ha:harmonic

b:bend

h:hammer-on

Intro:

(Agora use whammy)

Verso:

(Feito com Tremolo)

Listen now, let me speak  
I will be the dog at your feet

And come along when you call  
Be the little bird in your straw and sing you a song

I'll be there to take the fall  
Though you tread upon me for no reason at all

Refrão:

But just when you think you've left me blind  
I need to, I will keep you in the corner of my eye

The corner of my eye

Verso:

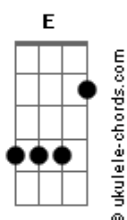

I will never leave your side  
Though you call me your number one zero  
Your nevermind

I'll be your king, I'll be your pawn  
I will build a pedestal and put you upon it

Refrão:

But just when you think you've left me blind  
I'll be creeping right up behind  
Cause baby if I...

## Acordes

...need to  
I will keep you in the corner of my...

Riff Black Sabbath:  
(Toque a sequência duas vezes)  
...eye

Agora o riff têm algumas alterações.  
Toque duas vezes a sequência:

Down on the street, over your night  
Out of your sleep, out of your sight  
If I need to, If I need to  
Out of your mouth, in every word  
Down in your ego one thing is sure  
I will keep you, I will keep you

Solo:

Agora toque rápido usando Delay:

Refrão:

But just when you think you've left me blind  
I'll be creeping right up behind  
Cause baby if I...

...need to  
I will keep you in the corner of my eye

Riff da intro:

Corner of my eye  
I will be the bird in your straw  
But you won't get far  
I will keep you in the corner of my...

...eye
