

Audioslave - Black Hole Sun

Tom: **D**

(Versão Acústica)

(intro)

Verso:

In my eyes
Indisposed
In disguise as no one knows
Hides the face, Lies the Snake
The sun in my disgrace

Boiling heat
Summer stanch
'Neath the black the sky looks dead
Call my name through the cream
And I'll hear you scream again

Refrão:

Black hole sun
Won't you come
And wash away the rain
Black hole sun
Won't you come...
Won't you come...

Verso:

Stuttering
Cold and damp
Steal the warm wind tired friend
Times are gone for honest men
And sometimes far too long for snakes

In my shoes
Walking sleep
And my youth I pray to keep
Heaven send
Hell away

No one sings like you anymore

Refrão:

Black hole sun, Won't you come
And wash away the rain
Black hole sun, Won't you come... Won't you come...
Black hole sun, Won't you come
And wash away the rain
Black hole sun, Won't you come... Won't you come...
Agora é tocado em acordes:

Drown my fear
