

# Audioslave - Broken City

Tom: F

Tabbed by: Bas  
Email:

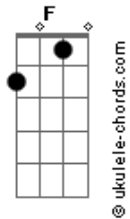

Tuning: DADGBE

I've made two variations, one on the verse and one on the chorus, of which I think Tom Morello is more likely to play it that way... anyway enjoy the tab, I think it sounds pretty close...  
Intro:

VARIATION:  
(I like this one better)

## Acordes

Chorus

[ play 8 times] then [ ] [variation on first part ]

(2nd note: at the 2nd part of the chorus, stroke the chord one time, and let it fade with the whammy played as wah...)
