

Audioslave - Getaway Car

Tom: C

The first time I saw you
 You were chasing down
 A cyclone all alone in a field
 With rail yards and clovers
 I kept rolling on
 And never thought
 You'd wind up chasing me

Well settle down, I won't hesitate
 To hit the highway
 Before you lay me to waste
 Settle up and I'll help you find
 Something to drive, before you drive me insane.

You're tired of walking and you
 Loathe the ground
 The sidewalk will barely
 Touch your feet and life moves
 Too slowly to hold you down
 With ringing hands
 You take it out on me

Well settle down, I won't hesitate
 To hit the highway
 Before you lay me to waste
 Settle up and I'll help you find
 Something to drive, before you drive me insane.

Get yourself a car and drive it all alone
 Get yourself a car and ride it on the wind
