

Audioslave - The Last Remaining Light

Tom: C

Intro:

Primeira Parte:

Roll me on your frozen fields
Break my bones to watch them heal
Drown me in your thirsty veins
Where I'll watch and I'll wait
And pray for the rain

Curl like smoke and breathe again
Down your throat, inside your ribs
Through your spine and every nerve
Where I'll watch and I'll wait
And yield to the hurt

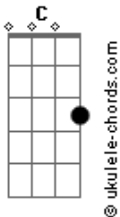

Refrão:

And if you don't believe
The sun will rise
Stand alone and greet
The coming night
In the last remaining light

Solo 1:

Stand alone and greet
The coming night
In the last remaining light
