

Audioslave - We Got The Whip

Tom: G

b: bend
h: hammer-on
x: muffled strings
p: pull-off
/: Slide

Riff Principal x2

Verso x8

Long days and nights you fought for truth
got to hand it to you
uprising paid for in blood
only to lose

Ponte:

We're gonna hang you up
you've got balls but

Riff Principal x2

We got the whip
We got a better bomb
We got the whip
We got the whip
We got a better bomb

Verso x6

Heartache and stuff is all you've known
slaves since your youths

and only one life to bargain with
and erase your miss-do

Ponte:

Riff Principal x2

We got the whip
We got a better bomb
We got the whip
We got the whip
We got a better bomb

Solo:

Intelúdio x2
Fearless now in the face of death
there with smile
braving the fight until the end
I know I will never be like you but

Riff 2 x4

We got the whip
We got a better bomb
We got the whip
We got the whip
We got a better bomb
