

Audioslave - Yesterday to Tomorrow

Tom: A

Beauty is what the eyes behold
 And you burn brighter than most
 I chased you through the midnight streets
 To be where I could speak freely
 I didn't care what tomorrow held
 I felt the world turning only for us
 Only bliss now for you and me
 Rise up let life's kiss send us reeling

And unlike the times before
 From yesterday comes tomorrow
 When life comes alive the past moves aside
 No regrets and no remorse

Come on
 Come on
 Come on

We have more than everything
 More than man or machine
 More than luck, more than fiction
 Higher than any religion

And unlike the times before
 From yesterday comes tomorrow

When life comes alive the past moves aside
 No regrets and no remorse

We'll squeeze the blood out of life
 And say goodnight to the silver of old

Even when wrong we're right
 Far beyond the world of diamonds and gold

I've come to realize
 Where happiness lies

I want you
 to know, I know

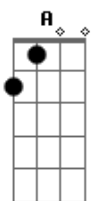

Come on
 Come on
 Come on

[Solo]
 Come on
 Come on

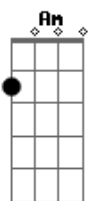

And unlike the times before
 From yesterday comes tomorrow
 When life comes alive the past moves aside
 No regrets and no remorse

Come on
 Come on
 Come on
