tom:
Dm (forma dos acordes no tom de Em)
Afinação: D G C F A D

Intro: Em Am

Em   Am
Three heavy stones will keep it from floating
        Em   Am
Weigh it down to the bottom, food for the fishes
Em   Am   Em
And I know that it won't be discovered
                 Am
'Cause I will be careful, so very careful
Em   Am   Em
What if it doesn't rain for days and the river is
               Am
Reduced to its muddy bed?
       Em   Am
With a corpse exposed I would work in haste
   Em   Am
And... I might bury the bones in a shallow grave
                         Am
And the rain comes and moves rocks and the stones
 Am
Washes away all the dirt and the mudflows
 Am
Bones are exposed and well
 Am
You know how that goes!

Em
I wait for the day when I'll finally defile
    Am
The bodies of my ex lover's lovers
Em
I'll pile high to the sky
    Am
The bodies of my ex lover's lovers
Em
Die, die, die diddle die
Am
Die diddle die, diddle die
           Em
Watch them die
Em
Die, die, die diddle die
Am
Die diddle die, diddle die
           Em
Watch them die

Em   Am
I saw you with him, You looked so happy
                Em   Am
All of that can change! 'cause, I am so lonely
                    Em
And I have lots of time, to, send you straight
       Am   Em
To the Devil, I'm taking my time
              Am
To, plan your demise
Em   Am   Em
What if I were to cut you up and mail each part
     Am   Em
To a different town? It would take the most
          Am
Brilliant private eye the rest of his life
Am
Just to put you together

Am
A piece in each mailbox all over the planet
Am
From Moscow to Tokyo to Guadalajara

Em

Too well. I don't have the courage
                Em
To carry out my dreams
