

# Aurelio Voltaire - Ex Lovers Lover

tom:  
 Dm (forma dos acordes no tom de Em )  
 Afinação: D G C F A D

Intro: Em Am

Em Am  
 Three heavy stones will keep it from floating  
 Weigh it down to the bottom, food for the fishes  
 Em Am Em  
 And I know that it won't be discovered  
 'Cause I will be careful, so very careful  
 Em Am Em  
 What if it doesn't rain for days and the river is  
 Reduced to its muddy bed?  
 Em Am  
 With a corpse exposed I would work in haste  
 Em Am  
 And... I might bury the bones in a shallow grave  
 Am  
 And the rain comes and moves rocks and the stones  
 Am  
 Washes away all the dirt and the mudflows  
 Am  
 Bones are exposed and well  
 Am  
 You know how that goes!

Em  
 I wait for the day when I'll finally defile  
 Am  
 The bodies of my ex lover's lovers  
 Em  
 I'll pile high to the sky  
 Am  
 The bodies of my ex lover's lovers  
 Em  
 Die, die, die diddle die  
 Am  
 Die diddle die, diddle die  
 Em  
 Watch them die  
 Em  
 Die, die, die diddle die  
 Am  
 Die diddle die, diddle die  
 Em  
 Watch them die

Em Am  
 I saw you with him, You looked so happy  
 Em Am  
 All of that can change! 'cause, I am so lonely  
 Em  
 And I have lots of time, to, send you straight  
 Am Em  
 To the Devil, I'm taking my time  
 Am  
 To, plan your demise  
 Em Am Em  
 What if I were to cut you up and mail each part  
 Am Em  
 To a different town? It would take the most  
 Am  
 Brilliant private eye the rest of his life  
 Am  
 Just to put you together
