

Aurora - Animal

Tom: B

Intro: B Db Abm

You are the victim
 The victim of my love
 I dangle up on rooftops
 Before I push you off
 I stand in the headlights
 Looking for a corner where I could be found
 With a goddess in my right eye
 Watching every lover on the battleground

You're hunting for love
 Killing for pleasure
 Lost in a concrete jungle
 If I am alone
 You make me a stranger
 Lost in a concrete jungle

I'm an animal, animal
 Hunting for an animal, animal
 Hunting for love, killing for pleasure
 Lost in a concrete jungle

Isolation makes me hungry
 Will you stay here till I sleep?
 You return home in the morning
 But you never really leave

I keep the memories alive
 The weight upon my shoulders felt so divine
 With a goddess in my right eye
 Watching every step I take before I die

You're hunting for love

Killing for pleasure
 Lost in a concrete jungle
 If I am alone
 You make me a stranger
 Lost in a concrete jungle
 I'm an animal, animal
 Hunting for an animal, animal
 Hunting for love, killing for pleasure
 Lost in a concrete jungle
 (B Db Abm)

Let me become an animal
 Let me become an animal
 'Cause when you are an animal
 You'll lose control

You're hunting for love
 Killing for pleasure
 Lost in a concrete jungle
 If I am alone
 You make me a stranger
 Lost in a concrete jungle

Animal, animal
 Hunting for an animal, animal
 I become an animal, animal
 Hunting for an animal, animal

Hunting for love
 Killing for pleasure
 Lost in a concrete jungle

(B Db Bbm Ebm)
 I'm an animal, animal
 Hunting for an animal, animal
 I become an animal, animal
 Hunting for an animal, animal (ho ho!)
