

Aurora - Apple Tree

tom:
 Am
 All of my life I've been hunting
 I've been a girl, I've been a boy
 Digging my feet into the ground
 Like an apple tree
 Wanting to live with a purpose
 Am
 Skin is a word, love is not a sin
 People are bad, people are good
 Just like the Moon is a stone
 But it's a star when it's dark
 And now she's hiding
 F
 If you've seen what a heart is
 You've seen its color
 C
 If I ever knew how we could guide it
 F
 I would take care of its children
 G
 Become their mother
 C
 If I ever knew how we could hide it, hide it
 Am
 Let her save the world, she is just a girl
 Dadd9
 Let him save them all, he is just a boy
 Am
 Let her save the world, she is just a girl
 Dadd9
 Let him save them all, he is just a boy
 Am
 Hunger is quiet if you do it right

Hunter is loud and predictable
 Scaring away every prey
 So they're gone before the hunter arrives
 Am
 Would you be kind and put away your sword?
 You cannot cut away what we've got
 You cannot kill what we are
 Dadd9
 We are not here in physical form
 F
 You've seen where the knife is, its dark location
 C
 If I ever knew how we could hide it
 F
 I would cut into our anger, make pure emotion
 C
 If I ever knew how we could hide it, hide it
 Am
 Let her save the world, she is just a girl
 Dadd9
 Let him save them all, he is just a boy
 Am
 Let her save the world, she is just a girl
 Dadd9
 Let him save them all, he is just a boy
 (Am Dadd9)
 Am
 Can you carry the weight of mortality?
 Dadd9
 The explosions around you is your symphony
 Am
 Let her save the world, she is just a girl
 Dadd9
 Let him save the poor, he is just a boy
 Am
 Let her save the world, she is just a girl
 Dadd9
 Let him save the poor, he is just a boy
