

Aurora - Heathens

tom:

Intro: Eb F Gm Bb

[Primeira Parte]

She bargains with the world
 So everything she wants will come to her
 With no greed inside her mind
 She knows what she deserves
 We fell from sky with grace
 And landed in her soft and warm embrace
 She gave her love, her gift of life
 So we could live with her

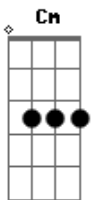

[Refrão]

That is why we live like heathens
 Stealing from the trees of Eden
 Living in the arms of freedom
 And everything we touch is evil
 That is why we live like heathens

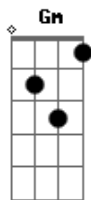

[Segunda Parte]

The stone, the dirt, the dust
 The unforgiving promise made to us
 Unworthy of your light, your god, your touch
 We're guided by the lust
 We cry the fallen names
 We cry for those who burned beneath the flame
 We stand beside the good and brave

Everything you touch
 Will be hers
 A mother with no heart
 Will give love
 Her love is yours

 Your heart to her
