

Aurora - In Bottles

Tom: Gb

m

I put my tears in bottles
 In case if I need them later

You never know
 You never know

And if I get thirsty
 Will they make me sad?
 Forever
 Forever

Oh, cover your eyes, cover your eyes- es - es - es
 Hide me inside, under your spine
 Under your spine

Oh uh uh uuh
 Oh uh uh uuh
 Oh uh uh uuh
 Oh uh uh uuh

Ah ah ah ah ah
 I will kindly watch you sleep
 I find out that your eyes are open
 I hide other pieces that you never

Would have liked if you knew about them
 So I hide my children

Oh, cover your eyes, cover your eyes- es - es - es
 Hide me inside, under your spine
 Under your spine

Oh uh uh uuh
 Oh uh uh uuh
 Under your spine

Oh uh uh uuh
 Oh uh uh uuh
 Under your spine

I watch you sleep with open
 I watch you sleep with open eyes
 I watch you sleep with open
 Oh oh oh oh oh oh ohoh

Oh, cover your eyes, cover your eyes- es - es - es
 Hide me inside, under your spine
 Under your spine

Oh uh uh uuh
 Oh uh uh uuh
 Under your spine

Oh uh uh uuh
 Oh uh uh uuh
 Under your spine

Down your spine
 Down your spine
 Down your spine
 Down your spine

Ah ah
 Ah ah
