

Aurora - Little Boy In The Grass

Tom: Bb

(com acordes na forma de G)

Capostrate na 3ª casa

I will tell you the story about the little boy I found in the grass

Tired, solace, he told me he could hear the children wanting to pass

Sounds of laughters in the air

Still today we hear them

Finally we are over it, oh

Finally we are over it, ohhhh

(Let them run)

Let them run from the violence

The world is way too cold and bright for their eyes

Little boy runs beside them

As they take his hands and jump to the sky

Still today we hear them

Finally I am over it, over it oh

Finally I am over, over it oh

When will my healing come? when will my healing come along?

Sinking like a stone, when will my healing come along?

(G C)

Finally I am over it, oh

Finally I am over it, oh

Finally I am, am
