

# Aurora - Midas Touch

tom:

Intro: [Tab - Riff] <sup>Dbm</sup>

[Primeira Parte]

<sup>Dbm</sup>  
I can remember I was dreaming  
<sup>Ebm7 E A Ab7</sup>  
In the moonlight gently I was floating  
<sup>Dbm</sup>  
I didn't know that I was sinking  
<sup>Ebm7 E A Ab7</sup>  
In my lonely bed sheets I was dying

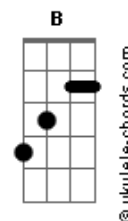

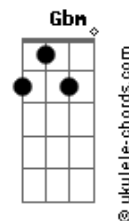

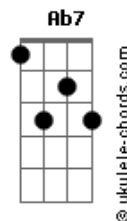

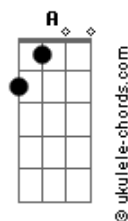

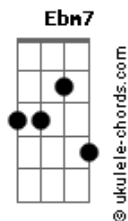

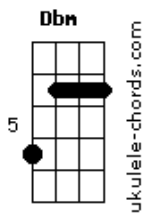

[Pré-Refrão]

<sup>Dbm</sup>  
When you're away I think that I'll escape  
<sup>Ebm7</sup>  
You're a king but you're a slave  
<sup>Ab7</sup>  
This love will end today

[Refrão]

<sup>A</sup> <sup>Gbm</sup>  
I would watch you fall in love  
<sup>Dbm</sup>  
But you love me like a kid  
<sup>Dbm</sup>  
You needed someone close  
<sup>B A</sup>  
And I never really did  
<sup>Gbm</sup>  
I'd find you on your knees  
<sup>Dbm</sup>  
And you'd beg for me to be  
<sup>Dbm</sup>  
The woman on your throne  
<sup>Ab7</sup> (Riff)  
But I'd rather be alone

## Acordes

[Segunda Parte]

<sup>Dbm</sup>  
Do you remember how I loved you  
<sup>Ebm7 E A Ab7</sup>  
You would make your lovers into sculptures  
<sup>Dbm</sup>  
You didn't know that I was lonely  
<sup>Ebm7 E A Ab7</sup>  
And the gift you brought me could not suit me

[Pré-Refrão]

<sup>Dbm</sup>  
Midas, my dear, no wonder why you're scared  
<sup>Ebm7</sup>  
You're a king among the thieves  
<sup>Ab7</sup>  
And your world belongs to me

[Refrão Final]

<sup>A</sup> <sup>Gbm</sup>  
I would watch you fall in love  
<sup>Dbm</sup>  
But you love me like a kid  
<sup>Dbm</sup>  
You needed someone close  
<sup>B A</sup>  
And I never really did  
<sup>Gbm</sup>  
I'd find you on your knees  
<sup>Dbm</sup>  
And you'd beg for me to be  
<sup>Dbm</sup>  
The woman on your throne  
<sup>Ab7</sup>  
But I'd rather be alone
