

# Aurora - Midas Touch

tom:

Intro: [Tab - Riff] **Dbm**

[Primeira Parte]

**Dbm**  
I can remember I was dreaming  
**Ebm7 E A Ab7**  
In the moonlight gently I was floating  
**Dbm**  
I didn't know that I was sinking  
**Ebm7 E A Ab7**  
In my lonely bed sheets I was dying

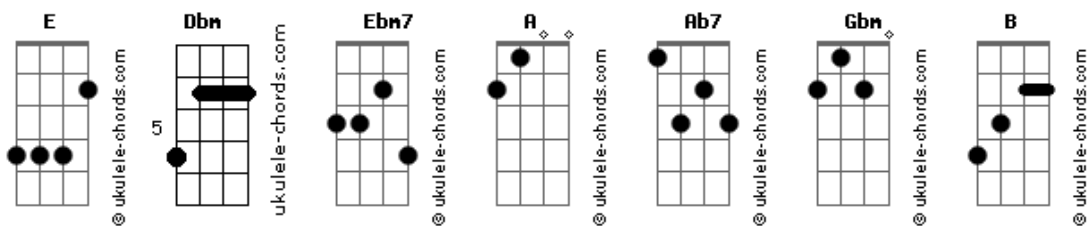

[Pré-Refrão]

**Dbm**  
When you're away I think that I'll escape  
**Ebm7**  
You're a king but you're a slave  
**Ab7**  
This love will end today

[Refrão]

**A Gbm**  
I would watch you fall in love  
**Dbm**  
But you love me like a kid  
**Dbm**  
You needed someone close  
**B A**  
And I never really did  
**Gbm**  
I'd find you on your knees  
**Dbm**  
And you'd beg for me to be  
**Dbm**  
The woman on your throne  
**Ab7** (Riff)  
But I'd rather be alone

## Acordes

[Segunda Parte]

**Dbm**  
Do you remember how I loved you  
**Ebm7 E A Ab7**  
You would make your lovers into sculptures  
**Dbm**  
You didn't know that I was lonely  
**Ebm7 E A Ab7**  
And the gift you brought me could not suit me

[Pré-Refrão]

**Dbm**  
Midas, my dear, no wonder why you're scared  
**Ebm7**  
You're a king among the thieves  
**Ab7**  
And your world belongs to me

[Refrão Final]

**A Gbm**  
I would watch you fall in love  
**Dbm**  
But you love me like a kid  
**Dbm**  
You needed someone close  
**B A**  
And I never really did  
**Gbm**  
I'd find you on your knees  
**Dbm**  
And you'd beg for me to be  
**Dbm**  
The woman on your throne  
**Ab7**  
But I'd rather be alone
