

# Aurora - This Could Be a Dream

tom:

Intro: G D Am C

G Look up at the light D

Am This could be a dream or it could be real C

G Dive in to my mind D  
Am C

And don't come up for air, you won't need it here

G Can I move you? Can I serve your fear?

D Could you trust love, if I prove it's there?

Am Oh, I need to know it too

C And now I don't feel you

G So I lift myself and I close my eyes

D And I sing sometimes to know I'm alive

Am I know I should figure this out on my own

C But if you come by, could you take me home?

G I get back up when the wind is strong

D But I wish I knew how it felt to run

Am I know I'm not alone

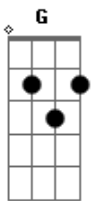

C And if you come by, could you take me home?

( G D Am C )

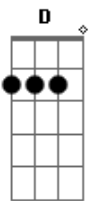

G D Am Being so alive can hurt so very much

C When you're losing touch

But if I touch you, would you feel it there?

D Could I trust love, even if I'm scared?

Am Oh, I wish I could give, like I'm longing to give

C Oh, I wish I could live, like I'm longing to live

G So I lift myself and I close my eyes

D And I sing sometimes to know I'm alive

Am I know I should figure this out on my own

C But if you come by, could you take me home?

G I get back up when the wind is strong

D But I wish I knew how it felt to run

Am I know I'm not alone

C And if you come by, could you take me home?

This could be a dream

This could be a dream

G So I lift myself and I close my eyes

D And I sing sometimes to know I'm alive

Am I know I should figure this out on my own

C But if you come by, could you take me home?

G I get back up when the wind is strong

D But I wish I knew how it felt to run

Am I know I'm not alone

C And if you come by, could you take me home?
