I know I belong here on earth D E

What is life worth living E

If you can't dance to anything? D

Night after night E

Oh, I long to be alright D

I want to feel it, to feel it E

What the people talk about D

How do you find it, so easy E

And all I can is ask

But whatever you say it's never right D Bm Gbm

So I won't do that (you cannot make me feel a thing) D Dbm

And wherever I go, I'm always blind D B#m Gbm

So I lose my track (you cannot make me feel alright) D Dbm

How I hunger for touch D E

How could you say that I love too much? D
