

# Aurora - Walking In The Air

tom:

I'm walking in the air  
 I'm floating in the midnight sky  
 The people far below they greet us as we fly  
 I'm holding very tight  
 I'm floating in a midnight blue  
 I'm finding I can fly so high above with you  
 Ah ha ah ha ah, ah ha ah ha ah, ah ha ah ha ah  
 Ah ha... ah ha  
 Far across the world  
 The villages go by like trees  
 The rivers and the hills

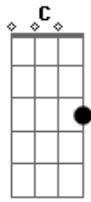

The forests and the stream

Children gaze open mouth  
 Taken by surprise  
 Nobody down below believes their eyes  
 I'm walking in the air  
 I'm floating in the moonlit sky  
 The people far below they greet us as we fly  
 I'm holding very tight  
 I'm floating in a midnight blue  
 I'm finding I can fly so high above with you  
 Ah ha ah ha ah, ah ha ah ha ah, ah ha ah ha ah  
 Ah ha... ah ha  
 I'm walking in the air
