

Austin e Ally - Without You

Tom: C
Intro: F Gb G

When the crowd wants more
I bring on the thunder
Cause you got my back
And I'm not going under

You're my point, you're my guard

You're the perfect cord

And I see our names together

On every billboard

We're headed for the top,

We got it on lock

We'll make 'em say 'hey' and we'll keep rockin'
Oh

There's no way
I can make it without ya

Do it without ya,

Be here without ya

It's no fun when you're doing it solo

With you it's like whoa

Yeah and I know

I
I'm this dream

Cause I got you with me

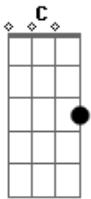

There's no way

I can make it without ya

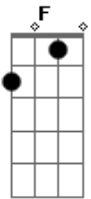

Do it without ya,

Be here without ya
