

# Austin Basham - Sounds Like Help

Tom: G  
Intro: Am C Am C

[Verso 1]

<sup>Am</sup>  
You know I found it false  
That I could meet the boss  
And be disabled <sup>C</sup>  
I thought that I was born again <sup>Am</sup>  
Not gonna sin again  
I guess that was a fable <sup>C</sup>  
Now heaven's off the table <sup>Am</sup>  
( Am C Am C )

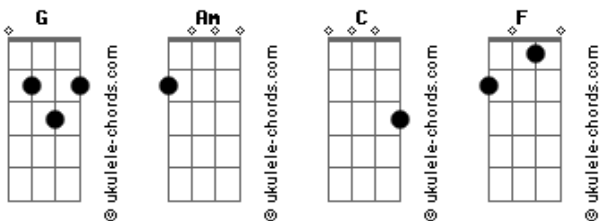

[Verso 2]

<sup>Am</sup>  
You know, Lord, oh I'm looking for You  
But I won't break this anchor <sup>C</sup>  
Can't even seem to stay afloat <sup>Am</sup>  
While on my own <sup>C</sup>  
I just sink baited <sup>Am</sup>  
Waiting to be plated  
( Am C Am C )

[Refrão]

<sup>F</sup>  
You know I felt so haunted  
When you found it hard to see me <sup>Am</sup>  
Where are You <sup>F</sup>  
I'm wanting to make a little money  
So we can save to find it out <sup>C</sup>  
<sup>Am</sup> <sup>C</sup>

## Acordes

And bribe this doubt  
( Am C )

[Verso 3]

<sup>Am</sup>  
You know, Lord, oh I'm needing You  
Just like I need an anchor <sup>C</sup>  
I always seem to drift away <sup>Am</sup>  
Into the grey  
I guess I'll be a stranger <sup>C</sup>  
Just to keep the danger <sup>Am</sup>  
( Am C Am C )

[Refrão]

<sup>F</sup>  
You know I felt so haunted  
That you could find it daunted to see me <sup>Am</sup>  
Where are You <sup>F</sup>  
I'm wanting to make a little money  
So we can live to find it out <sup>C</sup>  
And bribe this doubt <sup>Am</sup>  
( Am C Am C )

[Verso 4]

<sup>Am</sup>  
You know, I found it false  
That I could be at fault  
And be enabled <sup>C</sup>  
I thought that I was born again <sup>Am</sup>  
Not gonna sin again  
I guess that was a fable <sup>C</sup>
