

# Austin Mahone - Apology

Tom: G

I'm trying to fit this letter in a bottle  
 I only hope the message can sail to you safe  
 Someone said turn to The Bible  
 But I don't know what God's gonna say  
 'Cause I broke his angel's heart  
 So it's kinda hard to pray tonight  
 'Cause you're not here  
 You say you don't want nothing to do with me  
 My biggest fear  
 Is you'll never hear my apology  
 Woah-ooh, my apology  
 Woah-ooh, my apology  
 Woah-ooh, my apology  
 Woah-oo-oooh  
 I'm sorry I couldn't be everything you wanted me to be  
 Oh, yeah  
 And if this is how you remember our love, oh, yeah  
 Then, girl, let this be the most beautiful letter  
 That you'll ever read in your life

I'm leaving my heart on this page  
 Cause I should be there with you tonight  
 'Cause you're not here  
 You say you don't want nothing to do with me  
 My biggest fear  
 Is you'll never hear my  
 I only want you to be  
 Sitting here next to me  
 I'll hold you close, look in your eyes  
 Promise, girl, I'll make it right  
 I only need a piece of you  
 That still wants to be in my life  
 Forever  
 'Cause you're not here  
 You say you don't want nothing to do with me  
 My biggest fear  
 Is you'll never hear my apology  
 'Cause you're not here  
 You say you don't want nothing to do with me  
 My biggest fear  
 Is you'll never hear my apology
