

## **Austin Mahone - What About Love**

```
Tom: G
  Am
I?m feeling your thunder
The storm?s getting closer
                 Em
This rain is like fire?
    \mathsf{Am}
And my-my world?s going under
          B7
And I can't remember
                  Em D
The reason that you got off the line
You?re moving on, you say
      G
Here I stay
?I?ll take this pain
B7
Yeah, I can?t, I can?t
But what about love?
What about our promises??
What about love?
                           B7
           G
You take it off and leave me nothing?
           Em
What about love?
What about us ?til we end?
         D?What about love?
You cut my wings, now I am falling
What about love? What about love?
Why, are you colder than winter?
                  B7
You're switching the picture
You used to be perfect, yeah
Am
                         Em
Once, you're hot like the summer
             B7
But suddenly remember
                        D
               Em
The reason that you said "bye bye bye"
                    D
You?re moving on, you say
? G
Here I stay
?I?ll take this pain
B7
Yeah, I can?t, I can?t
But what about love?
                                                               What about love?
