

# Austin Mahone - Withdrawal

tom:

Intro: Eb Fm Ab Eb

[Primeira Parte]

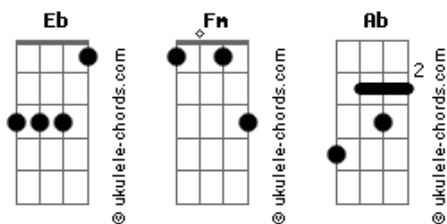

Baby, you were the one I was chasing  
 Late night I'm calling you wasted  
 Cause you were the one

And lady  
 I've been going through these changes  
 Calling on God for his graces  
 Cause you were the one

[Refrão]

Loving you is the only thing  
 That's gonna lift me up  
 Smoking with friends now just ain't enough  
 It's you, it's you that's got me fucked up  
 And this drink ain't the only thing  
 That's gonna mess me up  
 Drink after drink still it ain't enough  
 It's you, it's you that's got me fucked up

## Acordes

[Segunda Parte]

Lately  
 This feeling I just can't shake it  
 All of the love we were making  
 And now you're gone  
 And baby  
 How could go and replace me  
 Seen you with him i can't take it  
 Cause you were the one

[Refrão]

Loving you is the only thing  
 That's gonna lift me up  
 Smoking with friends now just ain't enough  
 It's you, it's you that's got me fucked up  
 And this drink ain't the only thing  
 That's gonna mess me up  
 Drink after drink still it ain't enough  
 It's you, it's you that's got me fucked up
