Intro: B  Dbm  Bm  A
       B  C  Dbm7

B                   Dbm7
Not supposed to be honest, yeah

         B              Dbm
And I'm supposed to play hard to get
      Gbm                     B
And I shouldn't have read that book that you lent me
Dbm                        E7              Gbm
And I shouldn't tell you that I cried at the end of it, no
B  C  Dbm  D7M
But I will

Gbm
Is it too right?
B7
Is it too real?

E7M        Gbm
Scared of the light
            B7              C  Dbm7
And how it might feel to truly love someone

Gbm7
I didn't choose to be open
B  C             Dbm7
No, I don't usually fall so fast
Gbm7
Guess the words I have spoken
B  C             Dbm7
Spill like wine from a broken glass
Gbm7                B           C
No, I shouldn't have put my pen to that paper
Dbm7          Dbm7  Cm7  Bm7           E7M      Gbm
Staining the pages with hands that were shaking, no

Gbm
Is it too right?
B7
Is it too real?
```

```
E7M        Gbm
Scared of the light
            B7              C  Dbm7    D7M
And how it might feel to truly love someone

( Gbm7   B   C   Dbm7 )
( Dbm7   Cm7   Bm7   E7M )
( Gbm7   B   C   Dbm7 )
( Dbm7   Cm7   Bm7   E7M )
( Gbm7   B   C   Dbm7   D7M )

         Gbm7                        B7              E7M
All this ache in my chest don't leave room for no one's advice
Gbm7                  B7          E7M
But I don't have a script for this and I'm terrified

Gbm
Is it too right?
B7
Is it too real?

E7M        Gbm
Scared of the light
            B7              C  Dbm7      D7M
And how it might feel to truly love someone

( Gbm7   B   C   Dbm7 )
( Dbm7   Cm7   Bm7   E7M )
( Gbm7   B   C   Dbm7 )
( Dbm7   Cm7   Bm7   E7M )
( Gbm7   B   C   Dbm7   D7M )
Is this
Is this real
Is it? (No, I never did, no)

Is this
Is this real
Is it? (No, I never did, no)

Is this
Is this real
Is it? (No, I never did, no)

Is this
Is this real
Is it?
