

Automatic Loveletter - Black Ink Revenge

Tom: E

I wanted this
 I wanted you
 I wanted it to last but you fell through
 Well, east coast boy, don't you see
 That here on the west we follow our dreams
 Why don't I know you anymore
 The color of your lips are red
 And I swear I never wear lipstick
 And oh my God I drank too much
 Laughing while I'm crying so you let them know your dying,
 dying
 Dying to break out
 Dying to get that skin out
 Through the window of the abyss
 Click my heels but I am stuck here
 I'm pledging and this is vow
 I'm swearing to you now
 The whole world will hear me call out
 This is the last time, this is the last fight
 Sunset to sunrise
 Morning to midnight
 This is my goodbye
 Blow out the candle, the bottle is dry
 And these pages were left blank

You're not even worth my black ink revenge
 I guarantee, guarantee you'll miss me
 (Dbm - B - Dbm - A)
 I cant stomach this
 I think I'm going to be sick
 My heart's made of wick, and you start the fire out of it
 With the kerosene, shocked my feet
 She smiled at me and closed the door
 But not to sleep
 This isn't making any sense
 I was yours the night before this
 The smell of your sheets is the reminense of you
 Breaking of my heart
 You're breaking it so hard
 The whole world will hear me shout out
 (E - B - Dbm - A)
 This is the last time, this is the last fight
 Sunset to sunrise
 Morning to midnight
 This is my goodbye
 Blow out the candle, the bottle is dry
 And these pages were left blank
 You're not even worth my black ink revenge
 I guarantee, guarantee you'll miss me
 (E - B - Dbm - A)
 And so I'm writing you out of my dreams
 You'll miss me I swear when I leave
 Yeah I'm writing you out of my dreams
 You'll miss me I swear
 Cuz I'm writing you out, I'm crossing my t's
 And I want back the necklace I said you could keep
 You miscomprehend and I scorn you till death
 My words are as strong as my last gasp for breath
 Leave nothing behind, not a trace or a crumb
 And no clues to how long or painful this was
 So I'm writing you out of my dreams
 You'll miss me I swear when I leave
 Cuz this is the last time, this is the last fight
 Sunset to sunrise
 Morning to midnight
 Well, this is my goodbye
 So blow out the candle, the bottle is dry
 And these pages were left blank
 You're not even worth my
