

Avantasia - Isle Of Evermore

tom:

Intro: Cm Ab G Cm Ab
Eb Bb Fm

Cm Ab
From a frozen world will you take me over
Bb
All alone, sweet embrace

Fm
Leave the place I can't abide no more

Cm Ab
Take a look at ourselves, afraid to get closer
Eb Bb Fm
Will the predermination drive us to a distant shore
Gm Ab Bb
The tender velvet gown of destination left behind
Eb Bb Ab
I'm wide awake, I'm on my way to evermore

Ebm Bb
And I turn around to fading shores
Dbm Ab
I'll sail on through this opening door

Ebm Bbm Ab
I'm wide awake, I'm on my way to evermore
Eb Bbm
I'm dead to the world, you blindfold my eyes
Ab C
While you're killing what I'm yearning for

(Ab Bb Fm)

Cm Ab
You just see what your eyes have been told to tell you
Bb Fm

Falling down to the ground, how come you ask if what you feel is true

Cm Ab
I'm staring at the maze and let it paralyze me
Bb Fm
Watch it come alive and burn me out until I'm coming through
Gm Ab Bb
The tender velvet gown of slumber will just leave me just breathing

Ebm Bb Ab
I'm wide awake, I'm on my way to evermore
Eb Bb
And I turn around to fading shores
Dbm Ab
I'll sail on through this opening door

Ebm Bbm Ab
I'm wide awake, I'm on my way to evermore
Eb Bbm
I'm dead to the world, you blindfold my eyes
