

# Avantasia - Lucifer

Tom: G  
Intro: Em C D C

Em  
Eternity is a goal I must have fallen  
C  
Through my pride being perfect in my ways  
D  
The morning starling fire down from heaven  
C  
Oh every wrap into a gown of grace  
Em  
I hear the screams that echo from the darkness  
C  
I swear from dawn to dusk came off the edge  
D  
Oh hear the creature crying in the distance  
Em  
Buried in the symbol on a shelf  
C D  
I'll take you home tonight, to the center of your soul  
Em  
I'll take you home tonight. Fire, flesh and blood  
D C D  
Touching the flames tonight, touching your flames tonight  
Am Bm Em

Morning is dying, brace me on these grounds, angel of light  
( Em D C D )(4x)  
Em C D A G  
Em  
How will I forgive him who wouldn't forgive me who just value the power  
C D G  
Gbm Em  
How should I live in peace with the one, I'll shining be in the happy devour  
C D A  
G Em  
The feeling of light under the skies, black shape is the moon our scarlet tonight  
C D A  
I'll make you fume in fury and rage I'll make you see what you made of tonight  
C D Em  
I'll take you home tonight to center of your soul  
C D Em  
I'll take you home tonight fire, flesh and blood  
C D Em  
Touching the flames tonight, touching the flames tonight  
C D Em  
Touching the flames tonight, touching the flames tonight
