

# Ave Sangria - Sundae

tom:

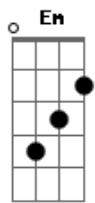

Intro: D Bm Em D  
D Bm Em D

Sundae, lábios de mulher  
Sangue e sundae, ou um dia qualquer  
Lábios de mulher  
Sol no sangue, derretendo o Sunday  
Espalhando o mel sobre o manguê

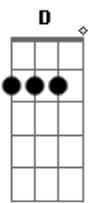

Sangue sol papel

E se o céu soprar  
Uma nuvem verde-mar  
Bailarinas minas lindas línguas lábios  
Lambem o sol  
Uma chuva de confetes  
Desce o vento em rodopio  
E me leva em seus cabelos cor de anil
