

Avenged Sevenfold - So Far Away

Tom: G

Primeira Parte:

Never feared for anything
 Never shamed but never free
 A light that healed a broken heart
 With all that it could
 Live the life so endlessly
 Saw beyond what others see
 I tried to heal your broken heart
 With all that I could
 Will you stay
 Will you stay away forever?

Refrão:

How do I live without the ones I love?
 Time still turns the pages of the book it's burned
 Place and time always on my mind
 I have so much to say but you're so far away

Primeira Parte - com variação na letra:

Plans of what our futures hold
 Foolish lies of growing old
 It seems we're so invincible
 But the truth is so cold

A final song our last request
 Another chapter laid to rest
 Now and then I try to find
 A place in my mind
 Where you can stay
 You can stay awake forever

Refrão:

How do I live without the ones I love?

How do I live without the ones I love?
 Time still turns the pages of the book it's burned
 Place and time always on my mind
 I have so much to say but you're so far away

Segunda Parte:

Sleep tight
 I'm not afraid
 The ones that we love are here with me
 Lay away
 A place for me
 'Cause as soon as I'm done
 I'll be on my way
 To live eternally

Base do Solo: Em G Am G D Em G Am C D

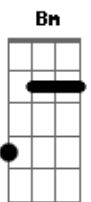

Refrão:

How do I live without the ones I love?
 Time still turns the pages of the book it's burned
 And the light you left remains
 But it so hard to stay
 When I have so much to say and you're so far away

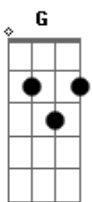

Terceira Parte:

I love you
 You were ready
 The pain is strong and urges rise
 But I see you
 When it lets me
 Your pain is gone your hands untied
 So far away (And I needed to know)
 So far away (And I need you to need you to know)
