VERSO

Ritmo:

So I arrived, naked and cold
A welcomed change from the abeyance of a ghost town catacomb
No need for counsel, I appreciate the time I'm not alone
(Why don't you get my lawyer on the phone?)

There were days these child eyes
Would overlook the ugliness and fantasize
I found my heart for the first time and I awakened in me
I left myself to navigate and oh I felt control
(It appears these sheep have quite an appetite)
(riff1 = abafado)

Refrao1

Who is the crowd that peers through the cage
As we perform here upon the stage?
(Synyster Gates)

(Zacky V.)

As the boy became a man
In came a calm sophistication I can hardly understand
So lost in ego, didn't notice when the time had a slipped away
(Yeah, everybody's got a sob story)

Jesus Christ was born to die
Leave it to man to levitate his own to idolize
We're simply sociopaths with no communication, baby

I see your angle but we differ from our points of view
(So tell me, what's your cross to bear?)

Refrao 2

Who is the crowd that peers through the cage
As we perform here upon the stage?

Tell me a lie in a beautiful way
I believe in answers, just not today
(Zacky V.)

Verso 2

Hope my wheels don't abandon me now
Seein' that I'm out here alone
I'm runnin' out of fight
And the wind speaks a comforting voice

Guiding me to her arms
 Mother, I'm alright

It took the birth of sin to snake-rattle the mind
 Before a blow to the head by the gavel of time
 To wake up
 Won't you wake up?
 When did the walking apes decide that nuclear war
 Was now the only solution for them keeping the score?
 Just wake up
 Can't you wake up?

Verso 2 (Synyster Gates)
 (5:36)

(You do know this is just a simulation, don't you?)
