Hide my face again
Harbor in the shadows
Feel this weight of sin
Hammering away
Die, with the guilt of a thousand awol soldiers
Die, watch the scythe usher me astray

Prechorus:

I can't go on this way
Not as I am today
The ugly side of me is strong
Take aim a loaded gun
Pull back on all who run
A coward's truth inside the wrong

Lash your tongue of bane
Carry me to nowhere
Mental holocaust
Battle never ends

Lie to myself, praise the new regime

I left me long ago
Reasons you'll never know
No one to miss me when I'm gone

No home to call my own
No finding someone new
No one to break the fall
No one to see me through
No name to carry on
No promise for today
No one to hear the call
No tattered flag to raise

verse

Walk the razor's edge
 Cut into the madness
 Question all you trust
 Buy into the fear
 I see the man ripping at my soul now
 I, I know the man, I know him all too well

There's nothing here for free
 Lost who I want to be
 My serpent blood can strike so cold

 I'll take it all away
 Another thought I can't control
