

# Avenged Sevenfold - Tonight The World Dies

tom:

Intro: C Em C Em

C Em  
Lost the meaning of our stay  
C Em  
Learn to live another day  
C Em  
Doubt the choices that we've made  
G  
I know that we can't hide our shame  
Bm  
It's only in disguise

( C Em C Em )

C Em  
Drowning in our own debris  
C Em  
Full of thoughts as though we're free  
C Em  
Close our eyes so we can see  
G  
The depth of all we mean to be  
Bm  
If only in my eyes

C Em  
I don't mind (read the writing on the wall)  
C Em  
Mother cries (tortured voices as we crawl)  
C  
Find me on my better days  
Em C  
To lose it once again, in a way  
( C Em C Em )

C Em  
So try and love me while you can

C Em  
And take the time to understand  
C Em  
As long as I can touch your face  
G  
You know I'll never leave this place  
Bm  
If only in my mind  
C Em  
I don't mind (read the writing on the wall)  
C Em  
Mother cries (tortured voices as we crawl)  
C  
Find me on my better days  
Em  
To lose it once again  
C Em  
But I seem to find no better way to consciously pretend  
G Bm  
Silence, all I want to say  
C  
Seems to run away  
Em  
I'll run away with you tonight  
G Bm  
Lauder all my sins away  
C  
And just like that mistakes are made  
Em  
You know, tonight the world  
C Em  
dies, I don't mind  
C Em  
Mother cries (tortured voices as we crawl)  
C  
Find me on my better days  
Em  
To lose it once again  
C Em  
But I seem to find no better way to consciously pretend C
