Acordes do Verso:

(C Ab C Ab)

(Bb Ab Bb Ab)

C House full of roses A letter on the stairs
C I tape all of messages For anyone who cares
Bb Closure broken words And stories full of tears
Bb Remembering your life Cause we wish you were here

Cm nothing lasts forever for all good things its true
id rather trade it all somehow saving you
must have been the season that threw us out of line
once i stood so tall now im searching for a sign
so dont need your salvation with promises and kind
and all those speculation save it for another time
cause we all need a reason a reason just to stay
well some just cant be bothered to stick around another day

(Repete os Acordes)
