

Avi Kaplan - It Knows Me

	tom:	But I lost that war
G		Crying out in shame
E		For goodness sake
		I tried to disagree
I seek the water		But it knows me
I seek the trees		It knows me
I seek the heavens		It knows me
But I'm brought down to my knees		Rest my soul grace
Yeah, I know anger		Set me free
I know peace		I know my sins and they know me
Yeah, I know darkness		It knows me
And it knows me		It knows me
It knows me		Rest my soul grace
It knows me		Set me free
I felt the fire		I know my sins and they know me
Ive held the sword		It knows me
I fought desire		It knows me
