

Avi Kaplan - Otherside

Tom: C

Dm F G
Emerald ivy, wrapped around my skin
Dm F G
Pulls me deeper, drags me back again
Dm F G
Tangle me up in your vines
Dm F G
Take my spirit, take my mind
Dm F G
Take me over to that other side

Dm F G
Ruby river, glowing in the sun
Dm F G
Wash me over, show me where you run

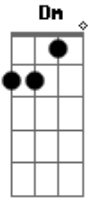

Dm F G
Roll me deeper in your tide
Dm F G
Take my spirit, take my mind
Dm F G
Take me over to that other side

Dm F G
Silver moonlight, come show me the way
Dm F G
Hold me over 'til the break of day
Dm F G
Lead me closer to your light
Dm F G
Take my spirit, take my mind
Dm F G
Take me over to that other side
