## Avicii - Avicii vs. Conrad Sewell - Taste The Feeling (Coca Cola)

```
Tom: Gb
                                                           When you are around me
                                                                                В
                                                                                      Bbm Ebm
                                                                      Db
  Intro: Ebm
                                                           You make it easier to sing it
                                                                     R
                                                                                      Dh
                                                           So we can feel whatever you feel
Verse:
    Db
                 В
                                                                     Ebm
Feels good, in my heart, in my soul,
                                                           Together be real, together at
                 Bbm
                                Fbm
When you're right here beside me
                                                           Refrao:
            Db
                        B Bbm Ebm
                                                                     Gb
                                                                            Db
                                                                                             Ebm
                                                           No one can stop me when I taste the feeling
I don't ever want this day to end
  Db
                В
                                                                             Gb Db B
                                                           Nothing could ever bring me down
We can watch the waves, have a Coke
           Bbm
                         Ebm
                                                                     Gb Db
                                                                                              Fhm
And you sit here beside me
                                                           No one can stop me when I taste the feeling
           Db B
                               Bbm Fbm
                                                                          Gb Db B
Take a little long my heart again
                                                           Nothing could ever bring me down
          B
                         Db
So we can feel whatever you feel
                                                           Bridge:
          Ebm
Together be real, together at
                                                           With every fading sunset
                                                           Gb
Refrao:
                                                           We see the stars align
           Gb
                 Db
                                  Fbm
                                                                                    Fbm
                                                           B
No one can stop me when I taste the feeling
                                                           We make the simple moments last for a lifetime
                  Gb Db B
Nothing could ever bring me down
                                                           So, we`ll feel forever
                                   Fbm
          Gb Db
                                                           Gb
No one can stop me when I taste the feeling
                                                           You and me, together
                Gb
                        Db B
                                                           B
Nothing could ever bring me down
                                                           We can stay forever
                                                           Fbm
                                                           And be real together.
You make it easier to sing it
                                                           Refrao:
                                                                      Gb
                                                                            Db
                                                                                             Fbm
                                                           No one can stop me when I taste the feeling
You make it easier to sing it
                                                                             Gb Db B
Verse:
                                                           Nothing could ever bring me down
Ebm
                                                                     Gb Db
                                                                                              Ebm
                                                           No one can stop me when I taste the feeling
      Db
                 В
Feels good as we stand on the shore
                                                                            Gb Db B
                                                           Nothing could ever bring me down
              Bbm
                               Fbm
But our hearts are still jumping
            Db
                                Bbm Ebm
                                                           You make it easier to sing it
                          В
Grab another Coke and let's dive in
       Db
                 В
Oh, my love, there's a song in my soul
```
