[Primeira Parte]

Step out into the dawn
 You pray 'til, you pray 'til the lights come on
 And then you feel like you've just been born
 Yeah, you come to raise me up
 When I'm beaten and broken up
 And now I'm back in the arms I love

[Pré-Refrão]

And I think I just died
 I think I just died
 Yeah, I think I just died
 I think I just died

[Refrão]

And went to heaven
 And went to heaven
 And went to heaven

[Segunda Parte]

Beaten and bathed in blood
 I'm hit by, I'm hit by your love and drug
 And now that you've come to raise me up

[Pré-Refrão]

And I think I just died
 I think I just died

Yeah, I think I just died

(D A E)

[Refrão]

And went to heaven

(D A E)

And went to heaven

(D A E)

Oh, and went to heaven

[Ponte]

It's such a night, such a beautiful night
 It's such a view, such a beautiful sight
 I think I just, oh, I think I just died

[Refrão]

And went to heaven

(D A E)

And went to heaven

(D A E)

[Refrão]

And we're going be birds and fly
 We're gonna set the world alight
 We're gonna lose ourselves tonight
 Yeah, we're going be birds and fly
 We're gonna set the world alight
 We're gonna lose ourselves tonight

In heaven
