

# Avicii - Sunset Jesus

Tom: G

Try?na set my self up for the win  
 So people got a dream that?s so much bigger than the town they?re in  
 So give me love, give me love  
 Give me peace, give me piece of mind  
 I know that there's an ought to a start  
 And I need a little help with mine  
 California, don't let me down  
 Seems so golden, but there?s struggle all around  
 Sunset Jesus, came to me  
 He once was a waiter, now he's a savior making money on the street  
 My dreams are made of gold  
 My heart?s been broken and I?m down along the Road but I know  
 My dreams keep fading till I get old  
 Breathe for a minute, breathe for a minute, I?ll be okay
