

Avicii - Sunset Jesus

Tom: G

Try?na set my self up for the win
 So people got a dream that?s so much bigger than the town they?re in
 So give me love, give me love
 Give me peace, give me piece of mind
 I know that there's an ought to a start
 And I need a little help with mine
 California, don't let me down
 Seems so golden, but there?s struggle all around
 Sunset Jesus, came to me
 He once was a waiter, now he's a savior making money on the street
 My dreams are made of gold
 My heart?s been broken and I?m down along the Road but I know
 My dreams keep fading till I get old
 Breathe for a minute, breathe for a minute, I?ll be okay
