

# Avicii - The Nights

Tom: Gb

(com acordes na forma de Capotraste na 6ª casa Verso 1: C )

Hey, once upon a younger year  
 When all our shadows disappeared  
 The animals inside came out to play  
 Hey, When face to face with all our fears  
 Learned our lessons through the tears  
 Make memories we knew would never fade  
 One day my father he told me  
 Son, don't let this slip away  
 He took me in his arms, I heard him say

When you get older  
 Your wild heart will live for younger days  
 Think of me if ever you're afraid

Refrão:  
 He said, one day you'll leave this world behind  
 So live a life you will remember  
 My father told me when I was just a child  
 These are the nights that never die  
 My father told me

Instrumental: F C G Am (4x)

Verso 2:

When thunder clouds start pouring down

Light a fire they can't put out  
 Carve your name into those shining stars  
 He said go venture far beyond these shores  
 Don't forsake this life of yours  
 I'll guide you home no matter where you are

One day my father he told me  
 Son, don't let this slip away  
 When I was just a kid, I heard him say  
 When you get older  
 Your wild heart will live for younger days  
 Think of me if ever you're afraid
