

Avicii - The Nights

tom:
 Dbm

Once upon a younger year
 When all our shadows disappeared
 The animals inside came out to play
 Went face to face with all our fears
 Learned our lessons through the tears
 Made memories we knew would never fade

One day my father, he told me
 "Son, don't let it slip away"
 He took me in his arms, I heard him say
 "When you get older
 Your wild heart will live for younger days
 Think of me if ever you're afraid

He said, "One day you'll leave this world behind
 So live a life you will remember."
 My father told me when I was just a child
 These are the nights that never die
 My father told me
